DYS Vision Statement

Arkansas's juvenile justice system is a leader in reform and collaboration across the state, working to prevent most youth from ever needing legal intervention and providing those that do with effective rehabilitation and reintegration; youth that become involved with the juvenile justice system are treated, educated, and equipped with the tools they need to find success as productive and responsible members of collective society.

DYS Mission Statement

The Division of Youth Services' mission is to provide effective community-based prevention, diversion, appropriate correction and rehabilitation, improved education and thorough aftercare in order to enhance the comprehensive well-being of the youth of Arkansas involved in the juvenile justice system.
