Agency request fifty percent (50%) of each version (English & Spanish) promotional items ordered shipped within thirty (30) days after receipt of order. The remaining items are to be shipped over the next thirty (30) days. The Contractor must ensure all items are delivered on time, regardless of order size.

If this delivery schedule cannot be met, bidder must state number of days required to place commodity in ordering agency's designated location. Failure to state delivery time obligates bidder to complete delivery by agency's requested date. Extended delivery dates may be considered when in the best interest of the state.

Delivery 28-36 days after receipt of order.
