Bid Price Sheet

HMA proposes a total cost of \$1,350,000 for Year 1, which includes the complete cost of doing business with HMA (e.g., indirect costs, such as overhead, general, and administrative costs). Should the State exercise our option years, then Years 2 through 5 will have budgets that build upon Year 1 and that leverage the infrastructure and efficiencies already been created in Year 1.

Our approach in Year 1 includes the following tasks:

- Host kickoff and project management meetings
- Conduct ten on-site QSPR reviews with six teams for each site-based review
- Conduct virtual reviews in at least 50 percent of the non-CFSR counties
- Build data base and begin hosting by Quarter 3 of Year 1
- Build evaluation methodology and tools by Quarter 3 and conduct a preliminary fourth quarter review of the two EBPs – FCT and Intercept
- Develop framework for peer review protocols and internal QA/QI methodology
- Deliver final Year 1 report

REVISED - OFFICIAL BID PRICE SHEET
